

## ACOATICA AND ICE FISHING

The inescapable places to discover...  
Acoatica in winter and ice fishing at  
*Parc Découverte Nature!*

Your challenge while playing **Acoatica** will be to ensure the survival of endangered fish species in Quebec. Through **interactive and immersive indoor challenges**, you will accumulate points and thus ensure the survival of the fish linked to your profile via connected bracelets.

The **Acoatica** game includes the opportunity to tease fish while living the experience of **ice fishing** (equipment provided).
