A magical journey! A moment out of time and enchanting. The effects are incredible and carry us into this magnificent story. A wonder for everyone!

Aurélie F., Lourdes, France, August 3, 2025, TripAdvisor

Magical! It was my 5th visit and I am still amazed. I would go again and again with my guests to introduce them to this wonderful nighttime experience.

We went there during the winter. Great site easy to access at an affordable price. We did the winter scooter, a great activity to do with the children! Beautiful ice rink!
